

## Chapter 8 Selected Homework Answers

1. Answers will vary depending on the sites located. A good site to check is [www.pecentral.org/assessment/alternativeassess.html](http://www.pecentral.org/assessment/alternativeassess.html).
3. Have several people evaluate the products. Obtain measurements at multiple times. Create well-defined criteria related to each aspect of the assessment.
5. Answers will vary depending on the skill chosen. See table 8-1 for a sample checklist.
7. Observation, projects, portfolios, exhibitions, logs or journals.
9. Develop a good rating scale that describes what is seen.  
Train raters in the use of the scale.  
Have the users of the rating scale practice with the use of the scale.  
Have practice and training sessions in which raters discuss their ratings together.
