# CALL FOR PAPERS

---

*IJARE* is dedicated to advancing the knowledge and practices of aquatic professionals worldwide. As a peer-reviewed quarterly journal, *IJARE* has the unique mission of disseminating basic and applied research in broad areas of noncompetitive aquatics along with practitioner-oriented information to foster best practices among aquatic professionals. Articles will report original aquatic research, as well as information related to aquatic education and instructional practices, use of aquatic facilities and technology, aquatic health and safety practices, and factors surrounding and influencing aquatic participation. Subscriptions will include both print and electronic formats.

*IJARE* invites submission of original research studies as well as professional articles in the form of experiential reports, clinical and observational studies, reviews of literature, and editorial statements of opinion as judged by the editorial board to be of interest and value to the aquatic profession as well as to meet the *IJARE* mission.
